❖ Action Taken Report in Relevance with the Graphical Representation:

The graphical representation shown above indicates that in all the questions mentioned above indicate that the level of satisfaction is found to be far more substantial than the opposite counterpart and hence no action seems to be relevantly necessary to be taken. Yet in the case of question no.02, a fair discussion with the managing body was done for the said issue of adding to the facilities and for question 07 the concerned committee was orally told to take some necessary action in inspiring the girl students
